PREFACE DURIAN TOURISM 2024/ 2025

Agrotourism is one of the niche segments rapidly gaining popularity in Malaysia for domestic and international markets, offering an assortment of activities relating to the agriculture sector. Malaysia, among the countries, is rich in agricultural resources. One of the highlights of our Durian Tourism Packages is where the enchantment of the king of fruits intertwines with the thrill of adventure and relaxation.

Malaysia, renowned for its vibrant cultural heritage and awe-inspiring landscapes, fresh and green scenery, cordially invites you to embark on an extraordinary journey unlike any other—a journey that harmonises the delectable flavours of durian with an array of exhilarating tourism activities.

Within this meticulously curated assortment of packages, we extend an invitation for you to indulge your senses in the unparalleled gastronomic delight of durian while immersing yourself in the splendour and allure of Malaysia's

premier destinations. You may find different ways of enjoying the king of fruits; whether in its original form, through our traditional recipes such as *dodol* durian, or with a modern twist – durian chocolate.

From the verdant countryside to the dynamic cityscapes, each package offers a tailor-made experience designed to satiate both your palate and your thirst for exploration.

Whether you are a connoisseur in search of the finest durian varieties or an adventure enthusiast eager to uncover hidden treasures, our packages vow to surpass your expectations.

With an array of options ranging from luxurious golf retreats to immersive glamping experiences, from enchanting rail journeys to captivating sightseeing tours, our carefully curated selection ensures there is something for every traveller.

Come and join us as we embark on a culinary odyssey through the heart of Malaysia, where each bite of durian reveals a new revelation, and every moment becomes a cherished memory. Malaysia Durian Tourism Packages 2024/2025 eagerly awaits, ready to indulge your senses and ignite your sense of wonder. Bon appétit and may your travels be filled with joy!

DURIAN TOURISM PACKAGES

ACTIVITIES/HIGHLIGHTS

THE DURIAN VALLEY was established since 2011 on a 46 acres farm at Kg. Ansip which is only 3 km from Keningau. Currently cultivated with more than 1,200 durian trees of various varieties including the infamous Musang King & Black Thorn. The durian produced from The Durian Valley is MyGAP certified by the Ministry of Agriculture, Malaysia confirming the good agricultural practice of the farm.
